To Workingmen and Business Men.

The leaders of the Free Trade Democracy, including President Cleveland and W. L. Wilson, have declared that the fight to tear down our tariff defenses has only begun. A vote for John A. Howard for Congress is a vote to renew the agitation, with all its accompanying business uncertainty and industrial depression. A vote for Captain Davenport is a vote to save the country from a repetition of the misery which followed the inauguration of the assault on the tariff, and a vote for the Republican candidates for the legislature will mean the same thing.

Who Is Entitled to Vote?
The question, Who can vote? is frequently heard. Any American citizen, native or naturalized, who has lived in West Virginia one year, in the county sixty days, and who is a bona fide resident of the district and precinct in which he offers to vote is legally entitled to vote whether registered or not. Any voter who is not registered can vote by making affidavit as to his residence.

Two Weddings Yesterday.
Yesterday at the parsonage of the Fourth street M. E. church the pastor, Rev. Dr. A. B. Riker, performed the ceremony which united in wedlock Mr. Harvey Carmack, of this city, a well known attaché of the postoffice for several years, and Miss Alice McClure, of Bridgeport. Both parties are very popular in their circle, and were greeted with numerous congratulations.
Mr. James A. Henry and Mrs. Mary H. Dinger were married yesterday by Rev. S. Schwarm, pastor of the English Lutheran church. They received the warmest congratulations.

It Looks Like Suicide.
Michael Tarsnie, who has been working at Franklin, out the Baltimore & Ohio road, in Ohio, but who has been about Bellaire for a day or two, was found dead in bed in one of the upstairs rooms at Emil Schmidt's yesterday afternoon, and on a stand by the side of the bed was an empty glass and an empty bottle of powdered morphine. Tarsnie was out of work and had failed to secure a job after looking for one at various mines about the city, and it is presumed he became disheartened and ended his existence rather than face want with winter approaching. He left no note of any kind. He was a bachelor so far as is known, and a man about forty-five years of age.

The City Hospital Benefit.
The ladies having in charge the coming bazaar and supper, for the benefit of the City Hospital, feel much encouraged at the outlook for the success of the entertainment.

During the past week a number of postal cards were sent out soliciting for the supper from the ladies of the city. The replies have been most gratifying, and the committee feel especially grateful to the different business houses who have so promptly and generously come to their aid.

It is requested that those who have not replied to their cards do so at as early date as possible so that the support committee may know just what must be supplied. A sufficient number of loaves of bread have been promised and the committee ask that no more contribution of bread be sent.

Next week the "Bachelors' Bazaar Box" will be opened at the McClure house, and the bachelors of Wheeling may expect to hear from the entertainment committee.

The Pan-Handle Dyeing establishment, owned by John Heilmeier, at No. 1431 Market street, is the best equipped house of its kind in Wheeling. LOCAL BRIEVITIES.

Matters of Minor Moment in and About the City.

THE GRAND this evening—"The Galley Slave."
AGOST EACH was locked up last night by Officer Watson for disorderly conduct.

THE "Just Out" social club will give a dance on next Monday evening at Menze & Howley's hall.

The new house of Mr. Auber, father of the well known tinner, on South Jacob street, is rapidly nearing completion.

YESTERDAY the Wheeling & Lake Erie railway added over 2,500 miles to the long list of roads over which their mileage books are good.

SINCE the advent of the cooler weather dominoes have superseded quail pitching as the favorite amusement of the South Side firemen.

A GAME of foot ball will be played between the Vigilant Juniors and Etanville Juniors at the Bridgeport ball grounds to-morrow afternoon.

CITY taxpayers can pay at any time up to Saturday afternoon and save the discount of two per cent. After that the full assessment will have to be paid.

BILL TURNER wants it distinctly understood that it was not his Silver Tone Glee Club that sang at the Howard meeting in North Wheeling, Wednesday night.

WORKMEN have been removing the old telephone poles on South Jacob street for the last two days. The new poles now in use are a great improvement over the former ones.

The council committee on accounts met last night and went over the city clerk's and city receiver's books for a month. The committee on police is called to meet this evening.

ALL SAINTS' day was observed with appropriate services in all the Catholic churches yesterday, and the Catholic schools all had a holiday. To-day will be duly observed at All Souls' day.

LOCAL union No. 59 of flint glass workers will give a benefit ball at Turner hall, on North Market street this evening. This union is composed of the North Wheeling glass works employees.

The different lodges of the Shield of Honor of the city will give a dance to-night at Mozart hall. The order has a large membership in this city and will no doubt have a successful night's entertainment.

Among the dances last night was one given in Dolan's hall, Benwood, by a number of young ladies of that place. Quite a number of Wheeling people attended and returned on the Ohio River train at 2 o'clock this morning.

Is the police court yesterday the only case was one of vagrancy against Charles Tuttle, who said he was eighty-two years old, and looked it. He was on his way from the far west to northern New York. He was sent to the county poor house to recuperate.

RESERVED seats will be put on sale at C. A. House's music store this morning for the presentation at the Opera House on Monday evening of Augustus Pitou's strong melodrama, "The Power of the Press." Its fame has preceded it to Wheeling, and it will no doubt draw a large audience.

Last night the Central View club gave a highly successful and largely attended masquerade ball in Beethoven hall. The costuming was original and in many instances extremely ludicrous, and afforded much amusement to the large crowd that thronged the entrance to see them assemble.

The Keene Magician company that was billed for a performance at the Bridgeport opera house last night, failed to appear. Their last stand was at Toronto, Ohio, and inquiry by wire yesterday evening brought the information that the night was bad and the company had not played there.

The German-American veteran society's dance and entertainment, which was postponed from Wednesday night, will occur to-night at Menze & Howley's hall, on South Market street, and promises to be well attended. The committee on arrangements has done every thing possible to ensure patrons an enjoyable time.

The South Side Independent club, a newly organized social coterie, have concluded the arrangements for their ball on next Monday evening. The function will take place at the Mozart hall and as Mayer will furnish the music there is abundant reason for the club to anticipate a large attendance. There will be prize waiting with a handsome toilet set and a water set as the respective prizes for the best lady and gentleman waltzers. These prizes will be placed on exhibition to-day at John Becker's jewelry store.

Look out for Democratic roobachs, such as circulars and sensational publications in the Democratic organ intended to prejudice voters at the last minute against the Republican ticket. Late day publications of this nature will be the last resort of desperate party managers.

A Child Enjoys
The pleasant flavor, gentle action and soothing effects of Syrup of Figs, when in need of a laxative, and if the father or mother be costive or bilious, the most gratifying results follow its use; so that it is the best family remedy known, and every family should have a bottle on hand.

SUITS AND OVERCOATS—THE HUB CLOTHIERS.

SUPPOSE

You put variety into your Clothing—several suits worn alternately will give you an appearance and a satisfied feeling that'll please you. It won't cost you any more than you've been in the habit of paying if you've been wearing made-to-order clothes. Two for one is about the proportion—as to the fit, we can fit you as perfectly as any tailor. The faultless manner in which our manufacturers make up clothes has taken that principal strong point from the tailors. Ours are made-to-order clothes from all appearances, ready-made clothes in fact—\$8.00, \$10, \$12, \$15, \$18, \$20 and \$25 are sample prices of our Suits and Overcoats. The quality of the clothes is about the same as you've been getting at about double the price.

Overcoats

That are cut right, made right and fit right are here—a score of tables filled with nothing but Overcoats. Not an old style poorly made or an ill-fitting one in the entire lot, all of the new shapes in all of the most popular fabrics and in all the fashionable shades and colors; plenty of those extra long, double and single-breasted Overcoats in blue and black Kerseys, Meltons and Beavers. Come in and see them and judge for yourself; try them on and see how well they fit. Note the moderate prices we ask for them and we are sure your next Overcoat will have upon the hanger the name of
